Several sheep enter, followed by Shepherd.

BLONDIE SHEEP: Bah! Shepherd! Bah! Oh Shepherd! Do be a dear and pull these thorns out of my wool. *[SHEPHERD helps]*

SHEPHERD: Is that better Blondie? Did it hurt?

BLONDIE SHEEP: Bah! Yes, much better thank you. I don't like looking as if I've been dragged through a bush backwards!

FLUFFY SHEEP: Not like some. Bahhh!

SHEPHERD: But I did drag you through that bush backwards. You were stuck.

BLONDIE SHEEP: Bahhh! You could have been more careful! My curls have all lost their shape!

RAMBO SHEEP: Talking of Curls... Where's Curly gone? Bah!

FLUFFY SHEEP: Bah! Bah! Not again!

SHEPHERD: Curly! Curly! Did anyone see where Curly went?

FLUFFY SHEEP: Serves him/her right if he/she is lost! Bah!

RAMBO SHEEP: Doesn't she/he know it's dangerous out there! Bah Bah!

SHEPHERD: I have to go and look for him/her. Blondie, Rambo, Fluffy, stay here.

SHEEP TOGETHER: Bah!

BLONDIE: You were going to clean my hooves!

RAMBO: Bah! What about Wolves!

FLUFFY: You should be looking after Bah! US!

SHEPHERD: It's daylight. You'll be quite safe. Wolves come out at night. What if Curly is caught up in a thorn bush? He/she will be so scared. And if I don't find her by nightfall the wolves will get her. You don't want that do you? *[SILENCE]* Do you?

RAMBO: Not as such... bah...

FLUFFY: But it's Bah! Curly's fault! Curly was Bah! Naughty! It was Curly who ran off! I mean, what if we all ran off? Bah!

SHEPHERD: Then I would come looking for all of you.

FLUFFY: You're too Bah! soft. That sheep needs to learn her lesson!

ALL SHEEP: Bah!

BLONDIE: Can't you send her to another flock of sheep? Bah! She looks simply dreadful! She always has thorns and mud and leaves stuck to her. Bah! I don't like people thinking she's in OUR flock.

SHEPHERD: But I love Curly. I know she's naughty but it's only because she always wants to know what's over the hill. All of you go into the pen. I'll see you later. *[Shepherd leaves]*

FLUFFY: Soft... Bah

BLONDIE: Who is going to Bah! Wash my Hooves now?

RAMBO: Bah! Let's stick together

Hides behind the other two – they walk off moaning and bahing.
Shepherd enters looking everywhere and asking the audience

SHEPHERD: Have you seen Curly? Have you? He/she's about this high, white, curly wool – a bit untidy...

Unhappy Bah! Sound from off stage. Shepherd rushes out and brings in Curly

SHEPHERD: Curly! Thank goodness I found you! What were you doing?

CURLY: Bah! Bah! There was a hole in the hedge and I could see the other field and I wanted to go there but I couldn't get through and then I couldn't get back and Bah! Bah! Bah!

SHEPHERD: I was so worried! But you're safe now.

CURLY: I'm sorry! Bah! I'm really sorry! Bah! That was naughty!

SHEPHERD: It's ok. I'm so happy I found you! Thank Goodness! Don't go off without me again!

CURLY: Bah! *Curly gives Shepherd a big hug.*

SHEPHERD: Let's go home!
